## STILL TALKING ABOUT

Dear Friends:

It has been wonderful to have so many of you attend our past sales and visit our farms at various times. We look forward to welcoming you again at any time and especially invite you to come to our sale on October 9th. Southern Indiana is a very popular section for a "little trip" in October. Combine business with pleasure and be with us on that date.

You are well acquainted with the show records and breeding ability of our herd sires, Broadway Hallmark x, El-Vi-Dor C Fascination x and Richwood Executive x. Their get and service are liberally offered in our 1961 sale. Here is a golden oppor-

tunity to begin a herd with the best or to add the best to your established herd.

We are again using completely **unretouched** pictures taken in July by Kenneth Tore of Greencastle. You see them as they are.

The cattle will be numbered and ready for inspection Sunday afternoon, October 8th, at Richwood Farm, Clayton, Indiana. We will be happy to have you spend a pleasant afternoon with us looking at cattle and visiting with your Shorthorn and Polled Shorthorn friends.

## *Terms and Conditions of Sale*

**TERMS**—The terms of this sale are cash. All settlements must be made with the Clerk of the Sale immediately at the conclusion of the auction and before animals are removed.

**GUARANTEE**—All animals selling as a separate lot in this sale are guaranteed to be breeders regardless of age at time of purchase, except that bulls shall not be allowed to serve when under 14 months of age or allowed to run with the herd when under 20 months of age. Notice of failure of a bull to breed must be given to the owners of the respective farms at the earliest possible date. When a bull or female fails to comply with the guarantee both Glatwyn and Richwood will have the option of substituting an animal of equal value to the satisfaction of the purchaser, or having the animal returned for a trial period of not to exceed 6 months. The expense of freight in such cases is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

**REGISTRATION CERTIFICATES**—Certificates of registry and transfer will be furnished with each animal sold. An application of registry will be furnished for all unborn calves.

**HEALTH**—Both Glatwyn Farms and Richwood Farms are Federally Certified for Bangs. All animals have been tested within 30 days of sale for T. B. Health Charts are furnished and approved by the Indiana State Veterinarian, entitling each animal to be shipped into any state and Canada.

**ANNOUNCEMENTS**—All announcements made from the auction block on sale day will be considered final and will take precedence over matter printed in the catalog.

**LIABILITY**—The above guarantee and terms shall constitute a contract between Glatwyn Farms and Richwood Farms (sellers) and the buyer of each lot. Neither the sale manager, nor the clerk of the sale assumes any liability, legal or otherwise. Where footnotes appear in this catalog, they were furnished by the owners. We will not be responsible for any accidents that may occur but will make every effort to provide for the comfort and safety of our guests. Accidents at cattle sales are rare, but every person attending must do so at his own risk.

★GLATWYN NONPAREIL 4TH x3067-274. This full sister to Glatwyn Notable x is sired by an International Grand Champion and is out of a dam sired by an International Grand Champion. She is from a family that consistently produces top cattle. Her dam was Grand Champion at Illinois and Memphis among many other places as a Junior yearling and might be the best cow we have. She is the senior calf in our show herd and we reserve the right to show her through the International. We like her. Calfhood vaccinated. Selling open.

## THE HEIFERS

Never in the history of our herd have we had a group of heifers of which we were so proud individually and in whose inheritance and ability to breed on and on we had more faith. We feel that we have not offered many individuals that were equal to the top half or more of this offering. Each is officially calfhood vaccinated for Bangs.

Although the bred heifers are young, fresh heifers to be selling bred, more than half have passed over and are safe in calf at this writing — meaning they had to settle quickly.

We are bragging a bit more on these than has been our custom, but we do feel rather strongly about their future. We wish we could just keep them all here.

Red, Lynnwood Farm

★**GLATWYN BEAUTY BETH x3067-281.** She is sired by Hallmark and is a full sister to Glatwyn Gladiator x, the second top bull in our 1960 sale that went to the Reynolds at Cuba, Kansas. Her dam is one of the top brood cows on this farm and is sired by Birmingham Millhills Democrat that Lynnwood won with at Chicago and then used in their herd. Her dam is also a granddaughter of the top-selling female at an Edellyn sale—sure a great family to tie to—and a heifer that we think is just about correct any way you look at her. He was campaigned heavily for two years and wound up his show ring career by being Reserve Senior Champion at the 1960 International and a very popular bull along with it. He has made the adjustment to Herd Bull duty and we are anxious for you to see him in his work-clothes on sale day. His calves are pleasing to us and they are developing with a very strong resemblance to their sire. Have a look at him October 9th.

He not only has his individual qualities to recommend him, but he comes from the greatest family of cows at Richwood. His grandam is still here in service at 12 years of age and is nursing a wonderful little heifer calf by Executive. His own dam produced Richwood M M Rothes 22nd x, who was first prize Junior Yearling Heifer at the 1960 International and sold at \$1325 to Brookwood Farms at Westfield, New York, and a half sister to his dam produced our Junior Bull Calf this year which we are holding over for next year. Jr. Executive II is coming fast and even though he's a late November calf, he's filling out all over and dropping down in his hind quarter.

## THE BULLS

We have selected the following five bulls for our 1961 Sale. They include two sons of Richwood Executive x, one by Richwood Renown 2nd x, one by Richwood Generator x, our son of Creekland Lancer x, and the fifth is the last son of Lynnwood Mainline x. These are bulls in which we have confidence, and we believe they will establish a good reputation for themselves wherever they may go. All the bulls are calfhood vaccinated.
